

# Potable Water and Reclaimed Water Irrigation Restrictions Effective 04/28/17

On 4/13/17 the South Florida Water Management District (SFWMD) Governing Board mandated new irrigation restrictions throughout the SFWMD including Osceola County. Effective immediately the City is enacting permanent two day per week irrigation restrictions for both potable and reclaimed water as described below. Please note that if drought conditions persist, more severe water use restrictions could still be enacted by the SFWMD.
